Amendments to the Specification:

Please replace paragraph [0052] with the following amended paragraph:

[0052] The software or firmware layers can be loaded on the system by one of various methods. For example, code segments ~~are~~ stored in floppy discs, CD or DVD discs or hard discs, or code segments transported through a network interface card, modem or other interface devices can be loaded on the system and can be executed by a corresponding software or firmware layer. In the loading or transporting process, the code segments and data signals carried by a carrier (through a telephone line, a network line, a radio link, a cable, etc.) can be sent to the system.
